

Frequently Used Words Found in Non/fiction Writings (Textbooks, Assignments, Content Area Standards, and

No	Nouns	Verbs	Adjectives	Adverbs
1	abbreviator / abbreviation	abbreviate	abbreviated	
2	abstract / abstractionist / abstraction / abstractedness	abstract	abstract / abstractionist / abstraction / abstractedness	abstractly
3	accordance	accord	according / accordant	accordantly / accordingly
4	acronym		acronymic / acronymous	
5	address / addresses / addressability / addressee	address	addressable	
6	affect / affecter / affectation / affectedness	affect affected		
7	alterability	alter alters altered altering	alterable	
8				always
9	analogue analogousness	analogize	analogistic analogous	analogously
10	analysis analyst analytics	analytic	analytic analytical	analytically
11		analyze analyzed analyzing analyzes		analyzingly
12	annotator annotation	annotate annotated annotating annotates	annotative	
13	anticipation	anticipated anticipating anticipates	anticipant anticipative anticipatory	anticipatively
14	application applicant			
15	applicability	apply applied applying applies	applicable	applicably
16	approach approaches approachability approachableness	approach approached approaching approaches	approachable	
17	appropriated appropriating appropriates appropriateness appropriator appropriation appropriationism appropriationist	appropriate	appropriate appropriative appropriable	appropriately
18	approximateness approximation	approximate approximated approximating approximates	approximate approximative	approximative
19		argue argued arguing argues argufy argufied argufying argufies	arguable	arguably
20	argument argumentation argumentativeness		argumentative	argumentatively
21	arranger arrangee arrangement	arrange arranged arranging arranges	arrangeable arranged	
22	articulacy articulateness articulation articulator	articulate articulated articulating articulates	articulate articulated articulative articulatory	articulately
23	aspect aspects			
24	assembler assembly	assemble assembled assembling assembles		
25	assertion assertiveness	assert asserted asserting asserts	assertive	assertively
26	assessment assessor	assess assessed assessing assesses	assessable	
27	associate associates associateship associator associability associationism associationist	associate associated associating associates	associate associated associates associable associationistic associative	

28	assumer	assume assumed assuming assumes	assumed assuming	assumedly assumingly
29	assumption			
30	audience			
31	authentication authenticator authenticity	authenticate authenticated authenticating authenticates	authentic	authentically
32	background backgrounder		background	
33	body	body bodied bodying bodies	bodily	bodily
34	brainstorm brainstormer brainstorming			
35	brief briefs briefing briefer briefness	brief briefed briefing briefs	brief briefer briefest	briefly
36	calculability calculatedness calculation calculator	calculate calculated calculating calculates	calculable calculational calculative	calculatedly
37	caption	caption captioned captioning captions	captions	
38	category categorization categoricalness	categorize categorized categorizing categorizes	categorizable categorical categoric	categorically
39	cause causability causer	cause	causable causeless	
40	characterlessness		characterful characterless	characterlessly
41	characteristic			characteristically
42	characterizer characterization	characterize characterized characterizing characterizes	characterizable	
43	chart	chart charted charting charts	chartable	
44	chronology chronologist		chronological	chronologically
45	citation		citational citatory	
46		cite cited cites		
47	claim claimer claimant	claim claimed claiming claims	claimable	
48	clarifier clarification	clarify clarified clarifying clarifies		
49	class	classed classing classes		
50	clue		clueless	
51	code coder	code coded coding codes	coded	
52	coherency coherence	cohere cohered cohering coheres	coherent	coherently
53	common commons commoner commonage commonality commonplaceness		common commonest commonplace	commonly
54	comparison comparer comparator comparativeness	compare compared comparing compares	comparative	comparatively
55	compiler compilation	compile compiled compiling compiles	compiled	
56	complement complementarity complementariness complementizer	complement complemented complementing complements	complemental complementary	complementally complementarily
57	completeness completer completion	complete completed completing completes	complete completive	completely

58	composedness composer	compose composed composing	composed	composedly
59		composes	compositional	compositionally
60	conceiver conceivable conceivability conceivableness	conceive conceived conceiving conceives		conceivably
61	conciseness concision		concise	concisely
62	concluder	conclude concluded concluding concludes		
63	conclusion conclusiveness		conclusive	conclusively
64	concrete concreteness concretion concretism concretist concretization	concretize concretized concretizing concretizes	concrete concretionary	concretely
65	conditionality conditioner conditioning		conditionable conditional conditioned	conditionally
66	conductibility conductance conduction conductivity conductor conductorship	conduct conducted conducting conducts	conductible conductive conductorial	
67	confirmability confirmer confirmation	confirm confirmed confirming confirms	confirmable confirmatory confirmational confirmed	confirmedly
68	consequence consequentiality consequentialness consequentialism		consequent consequential	consequentially consequently
69	considerer considerateness consideration	consider considered considering considers	considerable considerate considered	considerably considerately considering
70	consistency consistence	consist consisted consisting consists		
71			consistent	
72				consistently
73	constants		constant constancy constative	constantly
74	constituter	constitute constituted constituting constitutes	constitutive	constitutively
75	consult consultation consulter	consult consulted consulting consults	consultable	
76	contender	contend contended contending contends		
77	context contextualization contexture	contextualize contextualized contextualizing contextualizes	contextual	contextually
78	continuum			
79	contradictor contradictiveness	contradict contradicted contradicting contradicts	contradictable contradictory	contradictively
80	controllability	control controlled controlling controls	controllable controlled	controllably
81	convert conversion	convert converted converting converts		
82	conveyance conveyancer conveyancing conveyor	convey conveyed conveying conveys	conveyable	
83	copyist	copy copied copying copies		
84	correlate correlator correlation	correlate correlated correlating correlates	correlatable correlational	

85	correspondence	correspond corresponded corresponding corresponds		
86	credibility		credible	credibly
87	credibility creditableness	credit credited crediting credits	creedal creditable	creditably
88	criterion criteria		crierial	
89	critique criticism	critique critiqued critiquing critiques		
90			crucial	crucially
91	cumulativeness cumulation	cumulate cumulated cumulating cumulates	cumulative	cumulatively
92	debate debater	debate debated debating debates	debatable	debatably
93	deducibility deducibleness	deduce deduced deducing deduces	deducible	
94	defender defendant	defend defended defending defends	defendable	
95	definability definement definer	define defined defining defines	definable	definably
96	demand	demand demanded demanding demands	demandable	
97	demonstration demonstrationist	demonstrate demonstrated demonstrating demonstrates	demonstrationist	
98	depicter depiction	depict depicted depicting depicts	depictive	
99	deriver	derive derived deriving derives	derivable	
100	describer description	describe described describing describes	describable descriptive	
101	detail detailer	detail detailed detailing details	detailed	
102	detectability detection	detect detected detecting detects	detectable detective	
103	determiner determinism determinist determinedness	determine determined determining determines	deterministic determined	determinedly
104	developer development	develop developed developing developes	developable developed developing developmental	developmentally
105	devisee deviser	devise devised devising devises	devisable	
106	diction dictionary		dictional	dictionally
107	differentiation differentiator	differentiate differentiated differentiating differentiates		
108	dimensionality	dimension dimensioned dimensioning dimensions	dimensional dimensionless	dimensionally
109	diminishment	diminish diminished diminishing diminishes	diminished diminishable	diminishingly
110	directness	direct directed directing directs	direct directed	directly
111	discipliner disciplinarity	discipline disciplined disciplining disciplines	disciplinable disciplinal disciplined disciplinary	disciplinarily

112	discoverer discovery	discover discovered discovering discovers	discoverable	
113	discrimination discriminator	discriminate discriminated discriminating discriminates	discriminating discriminational discriminative discriminatory	discriminately discriminatingly discriminatively discriminatorily
114	discusser discussant discussion	discuss discussed discussing discusses	discussable discussionable	
115	distinguisher	distinguish distinguished distinguishing distinguishes	distinguishable distinguished distinguishing	distinguishably
116	domain			
117	draft draftee drafter	draft drafted drafting drafts	draftable	
118	drawing drawer drawee	draw drew drawn draws	drawable	
119	edition editor	edit edited editing edits	edited	
120	effector effectiveness effectivity	effect effected effecting effects	effectible effective	effectively
121	elements elementariness		elemental elementary	elementally elementarily
122	emphasis	emphasize emphasized emphasizing emphasizes	emphatic	emphatically
123	employability employee employer employment	employ employed employing employs	employable	
124	equalizer equality	equal equaled equaling equals	equal	equally
125	equivalence equivalency		equivalent	equivalently
126	essayist	essay essayed essaying essays	essayistic	
127	essentiality essentials essentialness essentialism essentialist		essential	essentially
128	establisher establishment establishmentarian establishmentarianism	establish established establishing establishes	established	
129	estimator estimation estimableness	estimate estimated estimating estimates	estimative estimable	estimably
130	evaluator evaluation	evaluate evaluated evaluating evaluates	evaluative	
131	eventer eventfulness		eventful	eventfully
132	evidence	evidenced evidencing evidences		
133	exaggerator exaggeration	exaggerate exaggerated exaggerating exaggerates	exaggerative	exaggeratedly exaggeratingly
134	examinee examiner	examine examined examining examines	examinable	
135	example	example exemplified exemplifying examples		
136	excerpt excerption excerptor		excerptible	
137	excludability excluder exclusion	exclude excluded excluding excludes	excludable exclusionary	
138	exercises exerciser	exercise exercised exercising exercises	exerciser	

139	exhibits exhibition exhibiter exhibitor exhibitioner exhibitionism exhibitionist	exhibit exhibited exhibiting exhibits	exhibitory exhibitionistic exhibitive	exhibitively
140	explainer explanation	explain explained explaining explains	explainable explanative explanatory	explanatorily
141	explorer	explore explored exploring explores	exploratory	
142	expositor exposition	exposit	expository expositive	
143	extraction extractor	extract extracted extracting extracts	extractive	
144	fact facticity factoid factuality factualness factualism factualist		factual	factually
145	factor factors factorability	factor factored factoring factors factorize	factorable	
146	feature	feature featured featuring features	featureless featured	
147	figurativeness		figurative	figuratively
148	figure figures figurativeness	figures figured figuring	figurative	figuratively
149	focus focuser focalization	focus focused focusing focuses focalize focalized focalizing focalizes	focusable focused	
150	footer footing footings		footed	
151	foreshadower	foreshadow foreshadowed foreshadowing foreshadows		
152	form formation formatives	form formed forming forms	formable fomational formative	formatively
153	formats formation	format formatted formatting formats	formational formative	formatively
154	former		former	formerly
155	formulation formulator	formulate formulated formulating formulates		
156	fragment fragmentation	fragmentize fragmented fragmentizing fragmentizes	fragmental fragmentary fragmented	fragmentarily
157	frame framer framers	frame framed framing frames	frameable	
158	frequentation frequenter frequentness frequency		frequent frequentative	frequently
159	general generalness generalcy generalization generalist generality generalship	generalize generalized generalizing generalizes	general	generally
160	genre			
161	graph	graph graphed graphing graphs		
162	graphicness		graphic graphical	graphically
163	header headers			
164	heading headings	heading		
165	highlight highlighter	highlight highlighted highlighting highlights		

166	hypothesizer	hypothesize hypothesized hypothesizing hypothesizes		
167	identifiability identifier	identify identified identifying identifies	identifiable	identifiably
168	illustrator illustration	illustrate illustrated illustrating illustrates	illustratable illustrational illustrative	illustratively
169	imitator imitation imitateness	imitate imitated imitating imitates	imitational imitative	imitatively
170		imply implied implying implies	implied	
171	incliner inclination	incline inclined inclining inclines	inclinational inclinable	
172	includedness inclusion inclusiveness	include included including includes	includable included inclusionary inclusive	inclusively
173	incorporation incorporator	incorporate incorporated incorporating incorporates	incorporate incorporable incorporative	
174	indicator indication	indicate indicated indicating indicates	indicatable indicatory indicative indicational	indicatively
175	indirectness indirection		indirect	indirectly
176	inferer inference	infer inferred inferring infers	inferable inferential	inferably inferentially
177	influence influencer	influence influenced influencing influences	influenceable	
178	informant information infomatics	inform informed informing informs	informational	informationally
179	inquirer inquiry	inquire inquired inquiring inquires		inquiringly
180	instructions instructor instruction	instruct instructed instructing instructs	instructional instructive	instructively
181	integrate integration integrationist integrator	integrate integrated integrating integrates	integrated integrating	
182	intent		intentional	intentionally
183	intention intentionality interactant interaction			
184	interactionism interactive interactivity	interact interacted interacting interacts	interactional	interactively
185	intermittence intermitter	intermit intermitted intermitting intermits	intermittent	intermittently intermittingly
186	interpretability interpretation interpreter	interpret interpreted interpreting interprets	interpretable interpretational interpretive interpretative	interpretably interpretatively
187	introducoriness	introduce introduced introducing introduces	introductory	introducorily
188	introduction introductions			
189				invariably
190	investigation investigator	investigate investigated investigating investigates	investigative investigatory	
191	involvement involver	involve involved involving involves	involved involving	involvedly
192	irony			
193	irrelevance irrelevancy		irrelevant	irrelevantly
194	isolator isolation isolationism isolationist	isolate isolated isolating isolates	isolable islatable isolated isolating isolative	

195	Italic Italicism italicization	italicize italicized italicizing italicizes	italic italicized	
196	judge judger judgment judgement judgeship	judge judged judging judges	judgemental	judgementally
197	key	key keyed keying keys	keyed	
198	label labeler	label labeled labeling labels		
199	likelihood		likely likelier likeliest	likely
200	list lists listing	list listed listing lists	listed	
201	literalness literalism literalist		literal	literally
202	location locator	locate located locating locates	locational locative locatable	
203	logician logistics		logical logistic logistical	logically logistically
204	main		main	mainly
205	margin marginality	margin margined margining margins	marginal marginable	marginally
206	mean meanness means	mean meant meaning means	mean meaner meanest	meanly
207	measure measures measurer measurability measurableness measurelessness measurement	measure measured measuring measures	measurable measureless	measurably measurelessly
208	metaphor		metaphoric metaphorical	metaphorically
209	method methodicalness		methodic methodical	methodically
210	model models modeler	model modeled modeling models	modeled modeling model's	
211	modifiability modifiableness modifier	modify modified modifying modifies	modifiable	
212	monitor monitorship monitories	monitor monitored monitoring monitors	monitorial monitory	monitorially
213		motivate motivated motivating motivates	motivative motivational motivated	motivationally
214	narrative narration		narrative narrational	narratively
215	narrator narrators	narrate narrated narrating narrates	narratable	
216				never
217	notation notations	notate notated notating notates		
218	note noter notedness	note noted noting notes	noteless noted	notedly
219	notice notices	notice noticed noticing notices		
220	objective objectiveness objectivism objectivist objectivity	objectivize	objective	objectively
221	observer observation observations observance observability	observe observed observing observes	observational observant observable	observationally observantly observably
222	occurrence	occur occurred occurring occurs	occurrent	
223	opinion opinionatedness		opinionated	opinionatedly
224	opposer opposability	oppose opposed opposing opposes	opposing opposable	opposably
225			optional	optionally
226	order orders orderly orderliness orderer	order ordered ordering orders	ordered orderly	
227	organizer	organize organized organizing organizes	organizable organized organizing	

228	origin origins originality origination originator	originate originated originating originates	original originative	originally originatively
229	outline	outline outlined outlining outlines	outlined outlining	
230	pace pacer	pace paced pacing paces		
231		paraphrase paraphrased paraphrasing paraphrases	paraphrastic	
232	participation participator participant	participate participated participating participates	participative participatory participating	
233	passage			
234	pattern patterning	pattern patterned patterning patterns	patterned	
235	performer performance performatives	perform performed performing performs	performable performative	performatively
236	perspective		perspective	perspectively
237	persuader persuasion persuasiveness persuadability	persuade persuaded persuading persuades	persuasible persuasive persuadable	persuasively
238	place places	place placed placing places	placeable	
239	plagiarism plagiarist plagiarizer	plagiarize plagiarized plagiarizing	plagiaristic	plagiaristically
240	plan	plan planned planning plans	planned	
241	plausibility plausibleness		plausible	plausibly
242	plot plots plotline plotter	plot plotted plotting plots	plotless	
243	point	point pointed pointing points		
244	point of view			
245	portrayer portrayal	portray portrayed portraying portrays	portrayable	
246	possibility		possible	possibly
247	preclusion	preclude precluded precluding precludes	preclusive	preclusively
248	predictor predictability predictableness prediction predictiveness	predict predicted predicting predicts	predictable predictive	predictably predictively
249	prefix prefixation prefixion		prefixal	prefixally preparatively
250	preparer preparation preparatives preparedness	prepare prepared preparing prepares	preparative preparatory prepared	preparatorily preparedly presumably presumably
251	presumer presumption	presume presumed presuming presumes	presumable presumptive	presumably presumably presumptively
252	preview	preview previewed previewing previews		
253	previousness		previous	previously
254	primary		primary	primarily
255	prior priors priority priorate		prior	
256	probability		probable	probably
257	procedure proceduralist		procedural	procedurally
258	process processor	process processed processing processes		

259	produce producibility	produce produced producing produces	producible	
260	profiler	profile profiled profiling profiles		
261	project projection	project projected projecting projects	projected projectional	
262	promptness prompter promptitude	prompt prompted prompting prompts	prompt	promptly
263	proofreader	proofread (present) proofread (past) proofreading proofreads		
264	property properties			
265	proposer proposal	propose proposed proposing proposes	proposable	
266	prose			
267	provability	prove proved proving proves proven	provable proven	provably provenly
268	purpose purposefulness purposiveness	purposed purposing purposes	purposeful purposeless purposive	purposefully purposely purposively quotationally
269	quotation		quotational	
270	quote quoter	quote quoted quoting quotes	quotable	quotability
271	rank ranker	rank ranked ranking ranks	rank ranker rankest ranking	
272	rareness		rare rarer rarest	
273	rarity	rarify	raring	rarely
274	reaction reactionist reactionism	reactivate	reactionary reactional	
275	recall recalls recaller recallability	recall recalled recalling recalls	recallable	
276	reducer reducibility	reduce reduced reducing reduces	reducible	reducibly
277	referrer reference	refer referred referring refers	referable	
278	reflectance reflection reflectiveness reflectivity	reflect reflected reflecting reflects	reflectional reflective	reflectively
279	regularity regularization regularizer	regularize regularized regularizing regularizes	regular	regularly
280	relator relatedness relation relative relativeness	relate related relating relates	relatable related relational relative	relatedly relationally relatively
281	relationship			
282	relevance		relevant	relevantly
283		rephrase rephrased rephrasing rephrases		
284	report reportage reporter	report reported reporting reports	reportable reportorial	reportedly reportorially
285	representability representer representation representationism representationalism representationalist	represent represented representing represents	representable representational representationalistic	representationally
286	representative representativeness			representatively
287	requester	request requested requesting requests		

288	requirer requirement	require required requiring requires	requirable required	
289	requisiteness requisition		requisite requisitionary	requisitely
290	respondence respondent	respond responded responding responds		
291	responsibleness responsibility		responsible	responsibly
292		restate restated restating restates		
293	results result	result resulted resulting results	resultant resulting	
294	reveal revealer	reveal revealed revealing reveals	revealing	revealingly
295	review reviewer	review reviewed reviewing reviews	reviewable	
296	reviser revision revisionism	revise revised revising revises	revisable revisionary revisionist	
297	root rooter rootage rootedness roothold	root rooted rooting roots	rooted	
298	rule ruler ruling	rule ruled ruling rules	rulable ruling	
299	scan scanner	scan scanned scanning scans	scannable	
300	score scorer	score scored scoring scores	scoreless	
301	sequence sequencer	sequence sequenced sequencing sequences		
302	series			
303	set	set sets	setting	
304	setting	setting		
305	show showing showiness	show shown showed showing shows	showable showy	showily
306	signal signals signaler	signal signaled signaling signals		signally
307	significance significativeness signification		significant significative	significantly significatively
308	simile			
309	skims	skim skimmed skimming skims	skim skimming	
310	solution	solve solved solving solved		
311	source	source sourced sourcing sources		
312	spatiality		spatial	spatially
313	specifics specificity specification		specific specifiable	specifically
314	speculation speculativeness speculator	speculate speculated speculating speculates	speculative	speculatively
315	stance			
316	standard standards standardizer	standardize standardized standardizing standardizes	standard	
317	state stateliness	state stated stating states	stated stateless	stately
318	statement			
319	strategy strategics strategist	strategize strategized strategizing strategizes	strategic	strategically

320	structure structuralism structuralist	structure structured structuring structures structuralize	structured	structurally
321	study studiousness	study studied studying studies	studious	studiously
322	style styler stylishness stylist stylistics	style styled styling styles	stylish stylistic	stylishly stylistically
323	subject subjection	subject subjected subjecting subjects		
324	subjectiveness subjectivism subjectivist subjectivity		subjective subjectivistic	subjectively subjectivistically
325	subsequence		subsequent	subsequently
326	substitute substituter substitution substitutiveness	substitute substituted substituting substitutes	substitutional substitutive	substitutionally substitutively
327	succinctness suggester suggestibility		succinct	succinctly
328	suggestibleness suggestion suggestiveness	suggest suggested suggesting suggests	suggestive suggestible suggestive	suggestibly suggestively
329	sum	sum summed summing sums		
330	summarist summarization summarizer	summarize summarized summarizing summarizes	summarizable	
331	summary summariness			
332	supports supportability supporter supportiveness	support supported supporting supports	supportable supporting supportive	supportably supportively
333	surveys surveyor	survey surveyed surveying surveys	surveyable	
334	symbolization symbolism symbolist symbolic symbology symbologist	symbolize symbolized symbolizing symbolizes	symbolic symbolistic symbolical	symbolically symbolistically
335	synonym synonymity synonymousness synonymy	synomize synomized synomizing synomizes	synonymic synonymous	synonymously
336	synthesization synthesizer	synthesize synthesized synthesizing synthesizes		
337	table tableful	table tabled tabling tables		
338	technique			
339	term	term termed terming terms	termless	termly
340	test testability tester	test tested testing tests	testable	
341	theme	theme themed theming themes	thematic	thematically
342	thesis			
343	timeline			
344	tone			
345	topic topicality		topical	topically
346	trace traces traceability traceableness tracer	trace traced tracing traces	traceable traceless	traceably tracelessly
347	trait			
348	transition	transition transitioned transitioning transitions	transitional transitional	transitionally

349	translatability translation translator	translate translated translating translates	translatable translational translatorial	
350	typicality typicalness		typical	typically
351	uniqueness		unique	uniquely
352	utilization utilizer	utilize utilized utilizing utilizes	utilizable	
353	validity validness		valid	validly
354	variation variate		variational	variationally
355		vary varied varying varies	varying	varyingly
356	verifiability verifier verification verificationism	verify verified verifying verifies	verifiable verificative	verifiably
357	viewpoint			
358	voice voicedness voicefulness voicelessness voicer	voice voiced voicing voices	voiced voiceful voiceless	voicelessly
